

Tuesday Night Steppin' Up Secretary's Script

My name is _____, and I am a crystal meth addict and your Secretary for this meeting.

In honor of the 7th Tradition, at this time the virtual basket is being passed. We are able to accept contributions through Paypal at dccmatreasurer@gmail.com. Please put in the notes section that it is for the Tuesday night CMA meeting. If you are unable to give, that's ok. We would rather have you than your money.

At this time, are there any announcements for the good of CMA or this meeting?

Is there anyone new to CMA, this meeting, or visiting from out of town who came in after the meeting started who would like to introduce themselves by their first name?

We recognize the importance of the first 90 days of sobriety. At this time, we invite anyone counting days to identify themselves and their day count.

At this meeting we celebrate milestones with virtual chips and a virtual hug. Is there anyone celebrating 30 days? 60 days? 90 days? 6 months? 9 months? 1 year? 18 months? Multiple years?

For the most important person in the room, we have a desire chip for anyone with less than 30 days, less than 24 hours, you don't even have to be clean, just have a desire for a new way of life.

For the purposes of inspiration and potential sponsorship will everyone with one or more years of clean time please raise your hand? If you are new to the program these are great people to talk to after the meeting.

And to show that the program works one day at a time, will all those in the room who are crystal meth addicts staying clean and sober today please raise your hand and give yourselves and the program a round of applause.

Our Twelfth Tradition states that anonymity is the spiritual foundation of all traditions, ever reminding us to place principles before personalities. In the keeping with the spirit of anonymity, please remember: WHO YOU SEE HERE, WHAT YOU HEAR HERE, WHEN YOU LEAVE HERE, LET IT SAY HERE.

Thank you for allowing me to be of service. The meeting is now open for sharing.
